

Southern Maine Orthodontics

March 18, 2020

Dear Southern Maine Orthodontics Community,

We wanted to reach out personally regarding the current situation with the novel coronavirus, known as COVID-19. Each day brings new developments and our hearts go out to all affected. Please know that we are monitoring the situation closely.

Unfortunately, Southern Maine Orthodontics will be closed per CDC, ADA, and MDA recommendations until April 6th and will re-evaluate re-opening at that time.

In the event of an emergency we ask that patients contact the office to be connected to Dr. Murphy.

We will try and accommodate new patients, observations, minor emergencies and patients in treatment by way of virtual consultations and appointments.

The team at Southern Maine Orthodontics appreciates your trust and will continue to work every day to provide the best and safest orthodontic care possible.
